10. STABILITY AND REACTIVITY

10.1 Reactivity	Not available
10.2 Chemical stability	Chemically stable under normal conditions of use
10.3 Possibility of hazardous reactions	None known
10.4 Conditions to avoid	Light, heat. Do not mix with others products.
10.5 Incompatible materials	None known
10.6 Hazardous decomposition products	None in normal condition of use and storage.

11. TOXICOLOGICAL INFORMATION

11.1 Information on toxicological effects

<i>Skin contact</i>	No irritation after prolonged exposure
---------------------	----------------------------------------

12. ECOLOGICAL INFORMATION

12.1 Toxicity	Not available
12.2 Persistence and degradability	Not available
12.3 Bioaccumulation potential	Not available
12.4 Mobility in the soil	Not available
12.5 Results of PBT and vPvB assessments	Not available
12.6 Other adverse effects	Avoid release to the environment

13. DISPOSAL CONSIDERATIONS

13.1 Waste treatment methods	Do not dump residue into drain. The chemicals must be eliminated in keeping with applicable regulations. Packaging of chemical products must be eliminated in keeping with applicable regulations.
------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

14. TRANSPORT INFORMATION

The product is not a hazardous product according to the regulations applicable to transport

15. REGULATORY INFORMATION

15.1 Special regulations/legislation for substance or mixture in terms of safety, health and environment	Medical device in class IIa according to directive 93/42/EEC
15.2 Chemical safety evaluation	Not available

16. OTHER INFORMATION

Successive modifications:
Version 1 of 16/11/2012 : CREATED

Recommended restrictions on use CAUTION: Product intended exclusively for professional dental use

Other information

This sheet complements the technical sheets but does not replace them.

The information that is contained herein is based on the state of our knowledge related to the product concerned at the date of issue and is given in good faith. Moreover, the user's attention is drawn to the possible risks incurred by using the product for any other use than that for which it was intended.

With the present, the user is not dispensed to know and to apply the whole regulating text of activity. He should be responsible for all precautions relating to the use of his product.

The whole regulation prescription mentioned is simply to help the user to fulfill the obligations in the use of hazardous product. This enumeration must not be considered as exhaustive. The user is not exempted to secure than those cited concerning the detention and the manipulation of product for which he is alone responsible.
